

Date: 11-23-20

Time & Type: 6pm, Virtual

Type of meeting: Officer Meeting

Topics:

Communication type for:

- Officers- group text/ NMU email/ Google Drive
- Whole club- NMU email/ Google Drive

Secretary Duties:

- Send out meeting minutes via email or Google Drive or both
- Might need to go back and revisit previous minutes
- Include pertinent decisions made (activities, funds, planning, etc.)
- Include info at the end about anything we need to talk about at the next meeting

Treasurer Update:

- Dr. Cortese will send Skylar how much money we have
- We should have a bank account but need to check

Activity Ideas:

- Discussion topics (send out group poll)
  - Computational Neuroscience
  - Drugs (cannabis, psychedelics, etc.)
  - Stem Cell research
  - Interdisciplinary Neuro (dance/music/education etc.)
- Career Day
  - Neurosurgeon
  - A day in the life of...
- Brain Week (possibly virtual)
- Involvement with youth
  - Giving lab tours and demos
  - Visit local schools and present
  - Academic Staff at NMU present about their current or past research
  - Children's museum
- Virtual Science on Tap
- Virtual Seminar Series

Increase awareness of our club

- Social media presence- Instagram
- Monthly "Newsletter" emailed to members -updates, new research, new journal articles in the field
  - Possibly for subcommittee to put together
- Seminar series that interests other majors (for students by students)

To discuss at next meeting:

- Someone to head up the Instagram
- Gather ideas/people for "newsletter"
- Send out poll for topics of interest

- Decide on what activity to focus on first
- Plan out our first full group Zoom meeting
